THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP 2019 INFORMATION PACKET

WELCOME

On behalf of the entire Longhorns Diving Camp staff, welcome to our camp and The University of Texas at Austin! We are excited to have you join our program! Head Diving Coach Matt Scoggin started the first Longhorns Diving Camp in 1995 and has been involved with Texas Diving Camps since 1981. The Longhorns Diving Camp has provided elite-level instruction to divers of all ages and abilities and an exceptional camp experience. **This packet contains important camp information.** It will answer many questions that may come up prior to your arrival. *Please read it thoroughly -- even if you are a previous camper, as there are changes every year.*

If you have any questions prior to arrival, please contact Jon Alter, Camp Director. We hope you are excited about being in the BEST diving camp environment in the nation - enjoy the top-notch coaches, world-class UT facilities, making life-long friends, and a great camp experience! See y'all soon & Hook 'Em Horns!

CAMP STAFF

The Longhorns Diving Camp is headed by world renown diving coach, Matt Scoggin. Jon Alter serves as Camp Director. The Camp will have 5-6 assistant coaches and 5-6 counselors each session to provide coaching and supervision in all areas, and maintain a low 1:6 staff to camper ratio. Our coaches are college and/or elite age-group coaches. **College student-athletes do not coach our campers, which is unique to our program.** Our counselors are college age or older and live in the dorm with campers. The Camp staff provides a line of help and support to campers when needed. Most importantly, they are excited to be at Camp, share their knowledge and passion for the sport, and provide a great life experience!

The Camp also retains a licensed Athletic Trainer on staff, who is on-site at all pool sessions. The Trainer handles all camper illness/injury, treatment, doctor's visits, medications, and correspondence with campers and parents in this area. All coaches hold current certifications in CPR, First Aid, and/or Lifeguarding/Safety Training required for Dive Coaches. Our counselors may assist with dry land activities, but do not coach the campers during water sessions.

All camp employees undergo an extensive screening and interview process that includes passing an annual, comprehensive, criminal background check performed by the University of Texas Human Resources Department. Pursuant to Texas state law, all camp staff must also complete a course on child abuse awareness and reporting every two years.

The Camp will allow campers to arrive on Saturdays (**except June 1, 2019**) and to stay over Friday or Saturday nights (**except June 28, 2019 or after**). There will be a \$60 extra charge **per night** regardless of arrival or departure time. This covers housing and supervision but NOT meals. Please provide adequate spending money to cover these expenses.

CAMP GROUPS

The Camp coaches divide campers into six ability groups: Group placement is determined after the review of the camper's questionnaire (completed during registration), ability, and goals. Campers are placed into groups on Sunday evening to give them a schedule for the rest of the week. **There are NO group changes made on Sunday evening.**

We recognize that campers may have improved significantly since registering, and ask that parents/campers update their questionnaire as often as required. **The Camp is not responsible for having outdated information when grouping campers. Please help us by keeping the questionnaires updated with new dives learned and/or new goals.**

We do make group changes if the coaches find it is warranted; however, we try to emphasize to each camper that they will be coached individually and consistent with the goals they have while at camp. Campers will not be held back or asked to perform at a level they are not ready for because of another camper in their group. When grouping the campers, the coaches take the camper's current ability and potential into account to provide appropriate coaching and peer interaction within the group. For example, a 12 year old camper may be in the

THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP

2019 INFORMATION PACKET

same group as 16 year old camper based on their current ability and because they have similar dives to learn while at Camp. Camp should not only be about the diving experience, but also socially appropriate and fun!

Campers should be aware that if they attend with friends and teammates, there is a chance they may not be in the same group, even if they are in the same age group. Similarly, roommates may or may not be in the same group.

Campers that have questions about their group should speak to a counselor or coach first, i.e. before a parent contacts the Camp Director. This helps the camper become comfortable in approaching the camp staff, as they are the people who can provide help and assistance quickly.

DAY CAMPERS

YOUTH PROTECTION PROGRAM

All summer programs involving minors at The University of Texas at Austin follow guidelines set forth by the Youth Protection Program (YPP). The purpose of the YPP is to promote the safety of minors participating in camps or programs on university premises or participating in those programs sponsored or supported by the University. All camps and programs work closely with the YPP Manager to ensure that every program operates in accordance with all of the university's policies, rules and regulations, as well as the laws of The State of Texas regarding the safety of minors. More information about the YPP is available online at www.youthprotectionprogram.utexas.edu, and questions can be directed to the YPP Manager at ypp@utexas.edu.

CAMPUS CONCEALED CARRY

On June 1, 2015, Gov. Greg Abbott signed S.B. 11, also known as the "campus carry" law. S.B. 11 provides that license holders may carry a concealed handgun throughout university campuses, starting Aug. 1, 2016. The law gives public universities some discretion to regulate campus carry.

The University of Texas at Austin and President Gregory L. Fenves take issues surrounding guns on campus very seriously and will strive to create policies that conform to the new law, protect the rights of citizens and ensure the safety and security of the entire campus.

S.B. 11 provides that after consulting with students, staff and faculty regarding "the nature of the student population, specific safety considerations and the uniqueness of the campus environment" the university may enact reasonable rules and regulations regarding:

- carrying of concealed handguns by license holders on campus; and
- storage of handguns in dormitories or other residential facilities

The law stipulates, however, that these rules and regulations may not either "generally prohibit" or "have the effect of generally prohibiting" license holders from carrying concealed handguns on campus.

The purpose of the Youth Protection Program (YPP) is to protect all minors in their university-sponsored activities and interactions involving members of The University of Texas at Austin community. Pursuant to S.B. 11 (the "Campus Carry Law"), the YPP Policy prohibits the carrying of a concealed handgun by any person involved in a University of Texas at Austin camp/program for minors. This Policy also applies to parents and guardians who are visiting or transporting a participating minor to and from camps/programs at The University of Texas at Austin.

"PURSUANT TO SECTION 30.06, PENAL CODE (TRESPASS BY LICENSE HOLDER WITH A CONCEALED HANDGUN), A PERSON LICENSED UNDER SUBCHAPTER H, CHAPTER 411, GOVERNMENT CODE (HANDGUN LICENSING LAW), MAY NOT ENTER THIS PROPERTY WITH A CONCEALED HANDGUN"

Please see the [Campus Carry Implementation](http://www.campuscarry.utexas.edu/) (www.campuscarry.utexas.edu/) website for more information.

SOCIAL MEDIA COMMUNICATION

All Camp staff and/or designated individuals will set their social media accounts to private for the duration of the camp. Personal emails, text messages, phone calls, and private social media communications with campers are not allowed.

All dormitories have a 24-hour manned desk located at the main entrance, and courtesy patrols for camper safety. In addition, access to the main lobby of all facilities requires swiping a room key after 10pm for entry.

Sessions 1-2: The Callaway House Austin

Sessions 3-4: The Castilian

There are many camps housed at both dorms. Elevators can, and will, take longer than usual to operate due to the number of campers in the building. Please plan extra time (and patience) with checking-in your camper.

Campers will receive their room assignment, room key, name tag, and t-shirt at check-in. After checking in with the Camp, campers will spend a few minutes with a Camp coach to discuss their questionnaire and goals while at Camp.

Please bring a copy of your medical forms to check-in for back up.

Early check-in prior to 2 p.m. is permitted only for airline or bus passengers who have paid for the Camp's shuttle service to camp. Late check-in must be arranged with the Camp Director in advance (email preferred). **All campers must check-in at the Dormitory for their session unless permission of the Director is given.** If your camper has traveled by air on their own, please ask them to call home upon arrival.

The Camp has an orientation meeting and water session each Sunday evening from approximately 6:30-8:30 p.m. **Day Camp parents will have a short meeting with the Director prior to the orientation meeting to go over the weekly schedule.**

Check-out takes place on Fridays (June 7, June 14, June 21, June 28) at the Dorm immediately following the final morning pool session. Multiple session campers do not check out if they are continuing their stay through the next session.

THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP 2019 INFORMATION PACKET

On Friday morning of each camp session, at approximately 9a-11 a.m., the Camp hosts a non-competitive, fun Horns' Invite. Family and friends are welcome to come watch this event. This event will take place at the Lee and Joe Jamail Texas Swim Center (TSC). There will be bleachers on the pool deck next to the diving well for all those who want to observe their camper.

Day Campers are to be picked up at the TSC's front lobby immediately following the Horns' Invite.

Resident/Stay-over campers will return with the camp from the pool to the Dorm following the Horns' Invite where they will meet their parent(s) to check out of camp.

Resident/Stay-over campers usually arrive at the dorm at approximately 11:30 a.m.

Upon returning from the pool:

1. Campers will go directly to their rooms and wait to be checked out by a staff member. Keys are collected, rooms checked for damage, and the camper is given a check out slip.
2. Once the camper has received their check out slip, they take all belongings to the main level, and turn their slip in to the Camp staff. Parents are welcome to meet their camper in the main lobby as they return from the pool, and (if the same gender) help their camper with luggage as they check out of their room.

Departing Campers may not eat lunch on Fridays.

3. **Campers departing with anyone other than their parent/guardian MUST have written authorization on file with the Camp.**
4. Lost key and room damage charges are assessed at this time. Payment is due for lost keys and damage at check-out. **NO CASH can be accepted. Charges will be billed to the credit card on file with the Camp.**
5. Please arrange to meet your child at the Camp's check-out location if you will not be accompanying the camper to the Camp's floors. Campers cannot wait curbside for their parent(s) to pick them up. **ALL overnight campers must check out of camp from the dorm. Early or late check out from camp for reasons other than airline or bus travel must be arranged in advance with the director.**

NOTE: There are many camps housed at the dorm. Elevators can, and will, take longer than usual to operate due to the number of campers in the building. Please plan extra time (and patience) with checking your camper out of camp.

EARLY CHECK OUT FROM CAMP

Occasionally, campers must depart Camp during the week for family engagements, prior commitments, emergencies, travel arrangements, etc. These are handled on a case-by-case basis, and must be requested in advance (if possible) with the camp's Director.

The Director will coordinate the check-out and return (if possible) of the camper to Camp with parents and Camp staff. If at all possible, all check-outs will be handled from the dorm at the conclusion of the morning session (approximately 12:00 p.m.) or afternoon session (approximately 5:30 p.m.).

A staff member will meet the camper and their parent(s) in the dorm lobby, and complete appropriate check out paperwork, which will require the pick-up person to provide a valid photo ID. Anyone other than a parent/guardian MUST have written permission on file with the Camp before the camper will be released to them.

There are no refunds if a camper leaves early from camp, including but not limited to homesickness or disciplinary reasons.

Add your camper's flight information to their online account once finalized. Forward a copy of your camper's travel itinerary to the camp with the medical forms as backup. Austin-Bergstrom International Airport (ABIA) is the City of Austin airport.

a diving shirt, baseball cap, etc. All Longhorns Dive Camp staff members will be wearing a Longhorns Dive Camp t-shirt, holding a UT DIVE CAMP sign, and wearing a Dive Camp name badge.

UNACCOMPANIED MINOR TRAVEL

For those campers traveling as registered/paid for unaccompanied minors with an airline, list “Jon Alter or Longhorns Diving Camp Representative” as the person designated to pick up your camper. We understand that some airlines may not accept the above and want the exact information. Parents that have listed Jon Alter as the initial pick up person can make changes to the correct staff member once that information is available. **The camp is unable to provide exact contact information until approximately 1-2 days prior to the camper’s arrival if this information is needed.**

A staff member will be allowed access beyond the security checkpoint to pick up unaccompanied minors who are registered as such with the airline. The airline managers at ABIA have been notified of our procedures. Counselors who pick the campers up will have ID identifying them as working for Jon Alter and The University of Texas at Austin. **Airlines do have different age requirements for what they consider “Unaccompanied” – please check with your carrier, and if your camper is flying to camp as an unaccompanied minor, please note this on their online account.**

Campers traveling alone should also have the following phone number to call if they have not been picked up within 20-30 minutes: 512-970-1378.

Please make all related airline unaccompanied minor plans and pay all required fees in advance for the complete trip. Campers must be registered as unaccompanied minors with the airline for us to meet them at the gate upon arrival, and escort them to their gate at departure.

NOTE: These directions are given to cover all possibilities. Planes are often late, rescheduled, etc. With increased security measures, we will do our best to get to all campers as they are de-boarding their plane or leaving the security area. The directions will give your child confidence and security in the pick-up process.

AIRPORT MAPS: More information may be obtained by checking the Austin-Bergstrom International Airport (ABIA) website: <http://www.austintexas.gov/airport>.

GETTING AROUND THE DORM & UT CAMPUS

There is an orientation meeting at the pool at 6:30 p.m. (for all campers) before Sunday’s water session. Campers are informed of common areas of the dorm they are allowed to be in, such as the camp floors, main lobby, cafeteria, and game room. Areas such as the computer lab, fitness room, and pool are off limits. It is explained that campers are NEVER to leave the dorm, pool, or field trip areas unless they are accompanied by staff members.

The camp takes roll call/attendance whenever groups prepare to leave the dorm, pool, and scheduled field trips. We encourage the “buddy system” among campers to help them stay on schedule. Campers not present at roll call will be located by a Camp staff member.

The Camp will bus to all scheduled camp sessions with camp staff providing supervision on all trips.

In the evenings, campers are to be on their designated floor by 9:30 p.m., and in their assigned rooms by 10 p.m., when room checks will be done by the counselors. Counselor rooms are located on each floor and well-marked with signage, making them easy to find.

THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP 2019 INFORMATION PACKET

The Athletics Department subscribes to the WeatherData, Inc. Skyguard monitoring and alerting service. The Camp Directors is immediately notified when inclement weather is approaching the UT campus, and will remove campers from any potentially dangerous situation.

ROOMMATES AND SUITEMATES

The camp welcomes advance roommate requests. Every reasonable effort is made to accommodate requests as long as it meets our policies. **Parents and campers are responsible for having the correct roommate and mutual request information on their online account. Changes to roommate requests can be made online until May 15. Any changes after that time must go thru the Camp office by E-MAIL.**

When making roommate requests:

- Roommate requests **MUST MATCH** among all campers making requests.
- Roommate requests may not be **MORE THAN TWO YEARS APART IN AGE** (unless same-sex siblings or if given permission by the Camp Director).

Requests that do not meet these requirements will not be honored.

Campers **MUST sleep in their assigned rooms – NO SWITCHING is permitted.** Every reasonable effort is made to assign compatible roommates for campers attending on their own. **All roommates and suitemates are assigned according to age no more than two years apart.**

No changes in room assignments will be made on or after the first day of camp. The Camp is not responsible for rooming assignments not granted due to incomplete, incorrect requests, or those that do not match up.

APPAREL

Campers are expected to dress sensibly and appropriately at all times. Hot, sunny weather is typical in Austin in June and during Camp, and there is the potential for some rain. Campers should bring at least two-three towels. Shorts, t-shirts, socks and athletic/close-toed shoes are required for ALL walks to/from the dorm/pool. The Camp does not allow short shorts, spaghetti strap tops, inappropriate t-shirts, etc.

Campers MUST bring athletic sneakers to camp for walks and activities outside of the dorm/pool. Flip flops are permitted only in the dorm and on the pool deck. Appropriate shirts, shorts, and athletic shoes must be worn at all other times.

LOCKS and LOCKERS at the JAMAIL TEXAS SWIMMING CENTER (TSC)

Campers may rent a locker and combination lock at the Swim Center for \$35. Locker rental includes a combination lock, which is left on the locker at the end of the session. Lockers are assigned at check-in.

Campers may not use their own combination lock as the TSC staff may cut it off. Campers renting lockers will be able to leave their belongings overnight at the TSC.

Campers not renting a locker will need to bring their belongings on deck with them. **The Camp and the TSC assume no responsibility for lost or stolen items.**

THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP 2019 INFORMATION PACKET

KEYS and NAME TAGS

Each camper is issued a room key and name tag at check-in. It is the camper's responsibility to keep these items safe, and return the key to the camp at check-out. If either is lost at any time, the camper should alert a staff member immediately. If the camper's key is lost, or any damage found to the camper's room, charges are made against the camper's account. Each camper is given a nametag that must be worn at all times. Due to increased security and entrance monitoring at the dorm and the Texas Swim Center, campers must wear their nametags at all times to enter the building.

Lost keys are \$100 to replace.

PERSONAL BELONGINGS

Each camper assumes their own responsibility for securing valuables and personal belongings. **The Camp assumes no responsibility for lost or stolen items.** Rooms must be locked when campers leave their rooms. **Please leave valuables at home – camp is not the place for them.**

SPENDING MONEY

Campers are responsible for providing their own spending money while at camp.

- **The camp assumes no liability for lost or stolen cash/credit cards. Most campers typically bring \$50-\$100 for the week (either in cash or on a debit card). Please make sure your camper has enough spending money for the week.**
- **Most camp activities (like bowling/arcade night) are either free or \$5-\$10.**
- **Campers must bring their spending money with them.**
- **Camp staff cannot hold money for any camper.**
- **The Camp staff cannot loan money or cash checks.**
- **If a camper is in need of additional money while at camp, we encourage parent(s) to add money to the camper's debit card remotely or send the camper a debit card.**
- **Campers spending an extra night or staying over weekends to attend multiple sessions will need to have adequate spending money to cover their weekend meals as the dorm cafeteria is not open.**

NOTE: Borrowing money between campers is not encouraged. There are optional activities offered at camp that are not covered in the camp fees such as pizza night and bowling/arcade night. In addition, many campers want to purchase souvenirs and other UT merchandise. We do not police the spending habits of the campers and feel that learning to handle a limited amount of money and budget well is part of the camp experience.

SWIM STORE, TEAM SHOP, & Co-Op -- available for purchase of UT souvenirs and diving gear.

Days and times announced. There is a variety of Texas Diving memorabilia, and other diving apparel and accessories available for purchase. The swim store is located on the second floor of the Texas Swimming Center. The Team Shop is located in the Daryl K. Royal Football Stadium, at San Jacinto and 21st Street. The University Co-Op is located on Guadalupe Street.

- 5 Changes of Clothing for the week
- Closed-Toe Shoes (REQUIRED for walking activities)
- Flip-Flops (optional for free time)
- Backpack (useful to carry belongings to/from the pool)

- Extra Spending Money (For Snacks and/or Souvenirs from the dorm convenience stores, Swim Center Store, etc.) – see Spending Money section above

CAMP IS NOT THE PLACE FOR EXCESSIVE CASH, EXPENSIVE PERSONAL ITEMS OR SUITS, ELECTRONICS, OR JEWELRY. ONLY BRING WHAT IS NECESSARY FOR CAMP. It is strongly suggested that laptop computers, iPads, and other expensive electronics be left at home.

DORM ROOMS

A private bathroom/shower, microwave and refrigerator are included in each room at the Callaway House. Rooms in The Castilian are double occupancy with a shared bathroom connecting two rooms. Campers are welcome to bring drinks and snacks to make their stay more comfortable. Campers must bring their own linens, pillow, and blanket.

APPLIANCES and CELL PHONES

The only appliances that campers may bring to use at camp are hair dryers, alarm clocks, and electric shavers/toothbrushes. It is strongly suggested that laptop computers, iPads, etc. and other expensive electronics be left at home. These items have no place at camp.

The use of cell phones, ipads, and handheld electronic games are prohibited during any camp activity, including walking to and from a camp activity, and campers are strongly encouraged not to bring them to the pool. Campers will be able to use a Camp staff's phone whenever necessary. The use of cell phones, ipads, and handheld electronic games are prohibited after 10 p.m./lights out. This can be very distracting and disrespectful to a roommate who is trying to sleep. The camp assumes no liability for loss or theft of items. Please leave valuables at home!

LAUNDRY

Both dormitories have credit/debit card and some coin-operated washers and dryers. Campers will need to furnish their own laundry supplies.

TELEPHONE MESSAGES

If you have an emergency, you may call Jon Alter at (512) 970-1378 at any time.

MAIL

Please do not send mail to campers staying only one week as we cannot guarantee that it will be received in time.

PARENT'S VISITS and VIDEOTAPING

Parents are welcome to observe any of the practice sessions from the grandstands at the Jamail Texas Swim Center. *Per UT Athletics policy, campers and spectators at camp are prohibited from bringing videotaping devices into camp facilities. No video of sessions, instruction or scrimmages may be videotaped for personal use or for redistribution purposes. Still photos are permissible. As a courtesy, we ask that parents identify themselves to a staff member.*

Please note that campers must walk to and from the pool with their group at all times and may not receive rides from parents, friends or relatives. This is part of the camp experience, and we also take roll call from each location.

Parents are not allowed to stay at the dorm or take any meals in the dorm cafeteria. As a security precaution, parents are allowed on their camper's floor ONLY during check-in and check-out days.

HOMESICKNESS and CELL PHONES

It is better for a camper to call home not more than once a day. **Please encourage campers to go to a counselor whenever they need help.** Immediate aid and comfort is provided best this way.

If your camper is homesick, encourage them to seek out a counselor, and to get involved in camp activities. It has been our experience that campers who get through this period, especially if their first time away, are excited about camp and diving at the end of the week and look forward to returning. **Cell phones do not help this situation, as they provide a "crutch" for the camper to call home multiple times a day.** This does not help the camper overcome this experience, and typically makes it worse. Often, the best remedy for homesickness is for the camper to become as involved as possible with the camp, friends, and activities rather than phoning home. Almost everyone has gone through homesickness, and worked through it by making it to the end of camp. Staff members are always available to help with any situation, and should be utilized. We have found that frequent visitations by parents or frequent telephone calls enhance the problem rather than solve it. Please help us to help your camper. We are here to help with any situation. We can help much quicker if the camper comes straight to the camp staff rather than speaking with a parent, or the parent trying to reach the camp staff.

We believe after running camp over the last 23 years that this opportunity is about more than just diving, but about having a great, memorable life experience. Attending camp allows campers the experience to learn to be on their own, be away from home, make new friends, be accountable and take responsibility for their actions.

MEDICATIONS and MEDICAL CARE

The Camp is able to dispense medications (prescription or over-the-counter) to your child if it is necessary during camp if we have the appropriate paperwork. OTC medications include prescription medications such as antibiotics and asthma inhalers in addition to over-the-counter medications such as Tylenol, Advil, vitamins, and homeopathic remedies. However, before any medication is dispensed, we must have the following information from you:

THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP 2019 INFORMATION PACKET

- A completed and signed Permission to Dispense Medications/Waiver and Release.
- Deliver all medications to the Camp Director/Athletic Trainer on the first day of camp in the original prescription bottle or in clearly marked containers which include the camper's name, medication, dosage and time of day medication is to be given. Zip-loc bags work great to keep all medications together. Please mark the outside of the bag with the camper's name.
- Verbally communicate with the Camp Director/Athletic Trainer regarding specific instructions for dispensing medication during the first day of camp. The Camp Director will communicate with the athletic trainer with respect to the camper's medication, and will introduce the camper to the athletic trainer.
- If the camp athletic trainer will help in dispensing medications, they will arrange times to help administer to the camper.

The “PERMISSION TO DISPENSE MEDICATIONS” form allows the camp staff to dispense listed prescription and approved over the counter medications to the camper while at camp. Even if the camper is currently not on any prescriptions or taking any OTC medications – please sign and return this form in the event they must get a prescription or need OTC meds while at camp.

This form is also used to list any medications your camper will keep and self-dispense while at camp. This includes ALL medications, including inhalers and epi-pens.

Inhalers should be brought on deck during all training sessions, and be kept with campers at all times.

Campers with epi-pens should always have one in their back-pack or bag. If possible, please bring an extra epi-pen to give to the camp Athletic Trainer.

The Camp will always call parents to notify them of any medical condition, health concerns, permission for physician's visits, OTC medications, emergency situations, and consultation.

In order for your child to carry and self-administer medication during camp, you must affirm and agree that: (1) your child has been instructed in the proper use of the medication and is physically, mentally, and behaviorally capable of administering the medication on his/her own without camp personnel supervision; (2) your child has an adequate supply of the medication for the duration of the camp and has the ability to properly store and secure the medication; (3) your child will use the medication only as prescribed by a physician and/or according to dosage instructions and will not share or otherwise provide medication to any other camper; and, (4) your child understands and agrees that failure to abide by this agreement constitutes a violation of camp rules that will result in disciplinary action, up to and including removal from camp.

Medical treatment is provided by Texas Sports and Family Medicine (TSFM), MedSpring Urgent Care, or a local hospital. Providers do charge an office visit fee, plus charges for any procedures. You and/or your insurance will be billed for services provided. DELL Children's, Seton, or St. David's Hospitals will handle emergencies and after-hours medical conditions. If your camper needs a prescription filled, we will attempt to use your insurance first, but must have a copy of your insurance card. If your camper must use their spending money to have it filled, they should bring a receipt back to you for insurance purposes. **The Camp cannot pay for a camper's medical visits or prescriptions.**

We take the care and well-being of your child very seriously! Please be as candid as possible with the Camp regarding any problems either medically, physically, or psychologically oriented which may restrict the camper or require special handling. We follow the HIPPA laws and respect the privacy of each camper. We have managed campers with serious chronic problems without incident because we were aware of the situation. Please help us to help your child.

CAMP RULES

A copy of the Longhorn Diving Camp's Rules and Regulations is included in this packet and was acknowledged during the registration process. **Both parents and campers should familiarize themselves with this information before the camper's arrival.** We believe campers attend camp because they want to be here. We also believe each camper will cooperate willingly with the camp staff and exhibit appropriate behavior. Those few campers, who find it impossible to do so, go home early without reimbursement for current and future sessions.

DISCIPLINE

The Longhorns Diving Camp staff is committed to each camper having the opportunity to enjoy their experience at camp. The misbehavior of one camper, or a group of campers, should not be allowed to impact negatively on the experience of others. We make every effort so that campers have a meaningful experience at camp. Although the camp rules address some offenses that can immediately dismiss a camper, we have the following procedures in place to handle inappropriate behavior and/or actions in a reasonable and consistent manner. Any steps may be skipped or repeated at the discretion of the camp staff. Campers dismissed from camp for disciplinary reasons will not receive a refund of any fees paid.

First Offense: Campers failing to adhere to camp rules, or exhibiting behavior clearly intended to annoy or endanger other campers, will be privately and formally warned by a Camp counselor or coach and informed that subsequent misbehavior will result in a meeting with the Camp Director.

Second Offense: Subsequent misconduct will result in a meeting with the Camp Director and a warning that further misconduct will result in removal from camp. At this point, the Camp Director will contact the parent or guardian to advise him/her of the situation and the possible need for picking the child up from camp if there is further misconduct.

Third Offense: Any further inappropriate behavior will result in a meeting with the Camp Director/Head Coach and expulsion from camp.

It should be understood this procedure is intended to provide a reasonable and consistent method for dealing with the type of behavior that can be disruptive to a camp, but is not so egregious as to warrant immediate dismissal from camp. It in no way precludes immediate dismissal from camp for more serious disciplinary problems or violations of campus or camp regulations. A serious disciplinary problem is defined as one in which the Camp staff determines that a camper is engaging in inappropriate behavior that includes, but is not limited to the following: actions which put the camper, other campers, or camp staff member's safety in jeopardy; inflicting physical or emotional harm on self or others, bullying, vandalism or destruction of University or dorm property; theft of University or dorm property or the property of another camper; consistently disrupting the program; possession of alcohol, drugs, or weapons; fighting; tampering with any fire equipment (fire extinguishers, smoke alarms, etc.), sexual harassment; or behavior that is serious enough to warrant a third offense.

EVALUATION OF CAMPERS:

Questions regarding the inclusion of written or videotape evaluation are sometimes asked. We discontinued the use of this practice for three important reasons:

1. Change is an ongoing process. You and your child will see the progress made at camp through improved diving technique and new dives learned.
2. All too often, well-meaning campers and parents present the camper's evaluation to the home coach as an absolute. This practice presents a problem not only from a professional standpoint between coaches but also for the continued integrity of the diver-coach relationship.
3. The writing of evaluations is neither an effective nor an efficient use of time in coaching the camper.

REMEMBER:

- **Include camper's name, session number and checking account holder driver's license numbers on all check/money order payments.**
- **CAMPERS WILL NOT BE ALLOWED TO CHECK-IN OR PARTICIPATE IN ANY CAMP ACTIVITY UNTIL ALL CAMP FORMS AND FEES ARE RECEIVED AND COMPLETE.**
- **BE SURE TO UPLOAD A COPY OF THE FRONT / BACK OF YOUR INSURANCE CARD IF APPLICABLE TO YOUR CAMP ACCOUNT.**
- **IF YOU ARE SUBMITTING FORMS BY MAIL, MAKE A COPY OF ALL FORMS AND BRING THEM TO CAMP AS A BACKUP IN CASE YOUR ORIGINALS ARE LOST IN THE MAIL.**

**LONGHORNS DIVING CAMP
DAILY SCHEDULE**

We believe that each camper should be challenged, but also experience a degree of success during the workout periods. To achieve these objectives and to provide for more individualized attention, the camp is divided into six (6) ability groups. The entire camp staff will work with each group. Groups are assigned at Sunday night's water session. We rely on the camper's completed questionnaire and the follow-up discussion with the Camp coach to give us a basis from which to begin assigning a camper to a group. **We always make adjustments if warranted, and encourage campers to communicate any concerns to the staff (before talking to their parent). NO CHANGES to groups are made on Sunday evenings. It is our hope that the camper will give the assigned group an opportunity during Monday's sessions.**

LONGHORNS DIVING CAMP RULES AND REGULATIONS

1. The use and/or possession of alcohol, drugs, tobacco, and any other illegal or inappropriate substance and items by camper are prohibited. Any laws broken while a camper is also prohibited. Appropriate law enforcement officials will be contacted and parents notified. Violations are considered justification for immediate expulsion from The University of Texas Longhorns Diving Camp (“the Camp”) without refund.
2. Campers are not allowed to bring firearms, lighters, candles, matches, fireworks, incense, knives, or any other inappropriate items to the Camp. Any items found will be confiscated and calls to parents made.
3. Campers are expected to conduct themselves as ladies and gentlemen at all times. Inappropriate language and behavior will not be tolerated.
4. Campers are expected to follow these rules, and any other rules set forth at the Dorm’s orientation meeting and at the Camp’s orientation meeting on the first day of camp.
5. The use of computers, iPads, iPods, cell phones, etc. are strongly discouraged at camp, and not permitted during scheduled camp sessions (including walking to/from the swim center and after the evening’s room-check/‘lights out’). Should campers ignore this policy; the device will be taken away from the camper for the duration of the session/week. Expensive or valuable personal belongings, jewelry, and excessive amounts of cash do not belong at the Camp. The Camp assumes no liability for any lost or stolen items.
6. Campers are not permitted on floors or in rooms occupied by persons of the opposite sex and/or persons not associated with The Camp unless accompanied by a staff member and under no circumstances after the evening’s room-check/“lights out”. Violations are considered justification for immediate expulsion from the Camp without refund.
7. A curfew procedure will be explained to the campers at Sunday’s orientation meeting. It will be enforced without exception. After 9:00 p.m., campers must be inside Camp’s dormitory building unless supervised activities or specific permission from a staff member allows them to be elsewhere (dorm’s food court, etc.). Campers must be in their respective floors by 9:30 p.m., and in their rooms promptly at 10:00 p.m., with room checks beginning at 10:00 p.m. Absence from their room at room check or the Camp’s dormitory without supervision of a staff member is a serious matter, and will be handled by the camp director.
8. Campers must wear the name badges given to them at registration at all times (when not in dryland or water sessions).
9. As a courtesy to fellow campers and to other residents of Camp’s dormitory, loud and boisterous activity must be minimized. Quiet hours will be established and enforced. Campers are allowed only on their respective floor. All other floors, except common dormitory areas, i.e. first floor lobby, game room, etc. are off limits. The Camp floors are off limits to non-camp residents. Parents are allowed on camp floors only on check-in and check-out days.
10. Campers must keep their rooms clean and in good order. Campers and their parents will be held responsible for any damage to rooms and furnishings, and payment for such damage will be billed to the parents. In cases where damage is incurred by a group, the person(s) directly involved, along with each member of the group will be responsible for an equal portion of the damage. Campers should immediately report any problems to their counselors. Lost keys are \$50-\$150 (non-refundable) to replace depending on facility, and must be paid for prior to leaving Camp.

**THE UNIVERSITY OF TEXAS LONGHORNS DIVING CAMP
2019 INFORMATION PACKET**

11. Campers may not operate automobiles while they are at the Camp, nor may they ride in any vehicle other than the designated Camp vehicles. Campers who drive themselves to the Camp must notify the director of same, and are responsible for any and all parking fees.

12. Campers are expected to dress sensibly and appropriately at all times. Shirts, shorts, and close-toed shoes must be worn on all walks and during Camp activities (outside of the swim center), and in and around the Camp's dormitory. Sandals may only be worn at the Camp's dormitory.

13. Campers are expected to show courtesy toward fellow campers, recreational swimmers, the swim center staff, the Camp's staff, and Camp's dormitory staff.

14. Campers are required to attend all camp sessions and be on time for roll call. If a camper requires medical attention, they must contact a staff member immediately.

15. If a camper's behavior is consistently and severely at odds with the Camp's rules and regulations, they will be sent home. Parents will be notified and required to make all necessary transportation arrangements for an immediate return home at their expense. There will be no refunds or credits from the Camp under these circumstances. Multiple session campers will not receive a refund or credit of any camp fees for sessions not attended if sent home early.

I understand the above rules and regulations, and agree to follow additional rules explained to me when I arrive at the Camp. I understand that violation of the Camp's rules and regulations can result in my immediate expulsion from the Camp without credit or refund.
